DIPLOMA IN ENGLISH LANGUAGE TEACHING

DURATION

1 Year (6 Month - 450 Hours Class + 6 Month Internship)

Skills in English language teaching are always highly valued. Diploma in English language teaching is a highly professional course that equips you with the necessary skills to become a successful teacher. Even if you have little or no experience in teaching, this course will enable you with the basic skills required to successfully foray in the field of English language teaching. With an improved literacy rate, there is an increasing demand for learning the English language in the country. Moreover the number of students going abroad for higher studies is increasing too. That calls for knowing the English language very well in order to qualify the English language skill tests that are mandatory for migrating to most western countries. Thus the demand for learning English language gets a further boost.
